

National Catholic Leadership Development 2023

Simply put, you need **National Catholic Leadership Development** to:

- Become a better Scouter
- Become a better Catholic
- Become better at integrating being a Catholic and a Scouter
- Become better at serving our youth
- Come one step closer to earning the Archdiocesan Bronze Pelican Award

The Scouter Development offers training in spiritual formation for adult Scouters at any level. The program consists of a series of guided discussions and reflective experiences covering areas of spiritual development such as leadership, holiness and conversion. Scouters live these values in their homes and communities, Boy Scout Troops, Cub Scout Packs, Venture Crews, and Explorer Posts.

The Roman Catholic Church accepts and encourages Scouting as a form of youth ministry. The National Catholic Leadership Development training helps ensure that Scout leaders promote a clear understanding of the twelfth point of the Boy Scout law: A Scout is Reverent.
